Work Certificate

With this we certify that Mr. João Vaz Pinto, born on 18.02.1988, has worked in the Studio Architetto Mario Botta from 01.09.2013 to 31.07.2015 as an architect.

During this period Mr. Vaz Pinto participated in the development of many projects following them throughout several design phases, from schematic design (building study models) to construction documents (by making working drawings).

Among those projects we may refer:

- Luxun Academy of Fine Arts in Shenyang, People's Republic of China.
(2013 – 2014) **under construction**
Contribution: design development and working drawings.
- Fountain in Losone, Switzerland.
(2014) **realized**
Contribution: schematic design, design development and construction documents.
- New hockey stadium (Hockey Club Ambri-Piotta) in Ambri, Switzerland.
(2015)
Contribution: schematic design, design development, development permits application documents.
- Refurbishment of an Industrial Warehouse in Verona, Italy.
(2015) **under construction**
Contribution: working drawings.
- New Headquarters for Mapei in Mediglia, Italy.
(2014)
Contribution: schematic design and design development.

Mr. Vaz Pinto worked in a precise and collaborative manner, successfully integrating himself in the office environment and fulfilling what was asked of him.

He showed flexibility and a capacity to adapt to any task.

The relationship he maintained with his co-workers was always cordial and very respectful.

Faithfully,

Mario Botta
